

Notice to Public

1. **Hydrant Testing & Inspection** for the Village of Milo is tentatively scheduled for Tuesday July 31, 2018. The testing and inspection may cause a discoloration of the water for a short period of time.
2. **Bow Mark Paving** is tentatively scheduled to commence construction and paving of the remainder of 2nd Street North August 5/7 2018 and touch ups around a few other streets. The construction and pavement should be completed by August 31, 2018.

NOTE:

Please ensure **your children remain a safe distance** and **stay away** from the construction zone as **heavy equipment** will be in the area.

Any questions and/or concerns contact the undersign.

Thank-you

A handwritten signature in black ink, appearing to read "A. Headrick", written over a horizontal line.

A. Headrick
Chief Administrative Officer
Village of Milo, Alberta
